Analytics of DAG Runs

DAG States Distribution

- DAG ID: pipeline_update, State: failed, Failure Reason: Connection lost to database
- Email sent successfully at 2024-10-18 01:03:05.443063.
- Email sent successfully at 2024-9-18 01:02:05.443063.
- DAG ID: user_sync, State: failed, Failure Reason: API rate limit exceeded

Unsuccessful DAGs

DAG ID	End Date	Duration	State
